ERISMAN-HEADLEE

Miss Bess Erisman, daughter of Mr. and Mrs. Harry C. Erisman of Fair Grove, was quietly married to Emory S. Headlee, also of Fair Grove, Wednesday afternoon. The ceremony was performed in Springfield, the bride being accompanied by her mother and sister. After a few days' visit in Monett the young couple left for Wellington, Kan., where they will make their home.—Springfield Republican.

TRAIN WRECKS

Railroad wrecks are deplorable, but they are occasionally inevitable as long as there is a human element in the operation of trains, which must always be the case. They are not as numerous as they used to be, thanks to the safety devices for the operation of trains with which the railroad companies have equipped their lines, and to the "safety first" propaganda that the companies are so successfully inculcating among their employees. But the railroad employees that are actively concerned in the operation of trains are no more nor less than human and are therefore certain to make mistakes. The real wonder is, in view of the many fast trains that all the railroads operate, and, through necessity, on such narrow margins of time that the engineers, the conductors or the dispatchers do not make more mistakes and that disastrous wrecks are not more frequent.—Topeka Journal.

KINGS PRAIRIE

Last Saturday looked a good deal like January. If the snow hadn't melted it would have been about three inches deep.

We have had an uncommon amount of rain fall this winter and coming spring, so look out for a dry summer and plow deep. But they tell us as long as those big guns over yonder are shaking the earth and air it will keep raining. We may have a few big guns closer home before many months. There is a good chance.

Charley Dummit got one of his horses slightly crippled by heavy work. He and wife came out on the prairie on a visit for a day and night.

Mrs. May Jackson happened to quite a serious accident while on a visit to Lawrence county last week, in getting her arm broken. They had got in the buggy to start home; the horse being cold started before Mr. Jackson could control him. One side of the buggy dropped in a deep ditch, turned over and threw them out, including their little girl Edna. One bone of Mrs. Jackson's arm was broken about two inches above the wrist. The other was thrown out of joint.

The horse pulled the buggy out of the ditch and it righted itself and no other damage was done. A doctor at Mt. Vernon two miles distant was called and responded in thirty minutes. She was able to return home the next day and is getting along all right.

We notice the Daily Times has got the open field again. There has been a good many ups and downs; more downs than ups with other publications, but the Daily Times keeps straight on to the mark of the high calling.

There was quite a turn-out at the school election last Tuesday owing to the rains stopping the field work. There was only one director to elect and the report of the clerk.

We have two trusty mail carriers, Joe Dummit on Route 1 and Emory Smith on Route 4. When they come in the vicinity of the prairie they are personally acquainted with every family and its members, and there is seldom a mistake made.

There was a good turnout at prayer meeting last Wednesday night at the church. All are invited to attend these services.

Mrs. Caldwell at Carter's store is making quite a clever store keeper.

Mrs. Rachel Jackson has been on the sick list.

Eli Gray and wife visited Mr. Morris last week.

Miss Mamie Cobb visited her aunt Mrs. Weber.

Mr. and Mrs. Roger Matthews spent Sunday with Earnest Jackson.

The New Liberty Sunday school is preparing for its annual Mothers Day the 2nd Sunday in June.

Allen Jackson reports the wheat crop in Lawrence county badly damaged.

We guess aunt Sally had to get out of the garden last Saturday. Nix's turned white; he planted red ones.

Will Stork, of Purdy, is seriously ill with pneumonia and measles.

TRUSTEE'S SALE

Whereas, W. A. Landingham and Effie Landingham, his wife, by their certain deed of trust, dated the 31st day of December, 1915, and recorded on the 8th day of January, 1916, in Record Book 56, at page 101, in the Recorder's office at Cassville, in Barry County, Missouri, did convey to the undersigned trustee, the following described real estate, situated in Barry County, Missouri, to-wit:

And Whereas, it is provided in said conveyance, among other things, that in case of a failure on the part of first parties to keep the buildings located on said premises well insured, then the undersigned trustee may proceed to sell the above described property at public vendue, and

DRINK SIX GLASSES OF WATER DAILY

An Interesting Statement by One of the Big Men in the Drug Business

A. E. KIESLING

of Houston, Texas, says:
"If you have a muddy complexion and dull eyes, you are constipated. Six glasses of water daily and one or two Rexall Orderlies at night will correct this condition and make you 'fit as a fiddle.' Rexall Orderlies, in my opinion, are the best laxative to be had, and can be taken by men, women or children."

GREENHILL

Well we sure did have a big snow here in April. All the flowers that were in bloom were covered up and we believe it was rather hard on the gardens and little chickens.

There was no Sunday school at Macedonia, Sunday, on account of the measles, but we hope all the people who have the measles will be able to go next Sunday.

Next Sunday will be meeting day at this place. Everyone come out and take a part in the services.

Elden Henderson, son of Lucy Henderson, is ill with pneumonia.

Elzy Smith visited Ewin Davis Saturday night.

Minor Burrus, who run the store at the Big Chance mines, has sold his goods to Mr. Reed and has moved to Cato. We regretted very much to have Mr. Burrus and family leave, as he was doing a good business, but we hope Mr. Reed will do just as well.

Vernie, Effie and Elburn Smith have just recovered from the measles and now the two other children, Elzey and Spencer, and Mrs. Smith are ill with them.

Mrs. Lowery of Purdy, is visiting at the home of Will Smith and family and helping care for the sick.

We were very sorry to hear of the death of Uncle Marshall Carlin. The family have our heartfelt sympathy.

Miss Oletta Davis visited at S. A. Davis's Sunday night and Monday.

Mr. and Mrs. Bob Ethridge of Flat creek were shopping in Monett, Monday.

Little Wilma Henderson is ill.

Mr. and Mrs. Herschel Marbut went to Monett, Monday.

Well, as news is a little scarce I will ring off, hoping to hear from Happy Valley, soon.

Safe Medicine for Children

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most effective in relieving coughs, colds, and croup. Obtainable everywhere.
